

Special Feature: Hemp Downunder

Hemp Downunder takes you on a journey that starts before the 'First Fleet', and flows right through to Nimbin's brazen and bizarre "Mardis-Grass" celebration - and beyond...

It explains the involvement of England, the U.S.A. & China in the emergence of the Aussie hemp revolution, and unravels the confusion between ecological and "illicit psycho-stimulant" issues.

This is a fascinating saga of greed and corruption, with dire ecological implications...

Learn about the Haze of MYSTERY and HYSTERIA surrounding the humble hemp plant!

You will be SHOCKED and SURPRISED at what modern man is doing with Cannabis!

You will GASP in HORROR at brutal Police drug raids on feral, brain-damaged dropouts!

You will be AMAZED at the outrageous annual "smoke-in" rallies, where protestors flagrantly TAUNT the law!

Both a vivid social document and an important ecological statement, Hemp Down Under takes a look at the important issues and the colourful culture surrounding Cannabis Sativa....
